Sir,

I have the honour to bring to your kind notice that the new Dharmasala in the Chamaraj Road constructed out of my contribution and Government grant for the purpose is nearing completion.

In that connection I beg to suggest the following arrangement for the kind consideration of Government regarding its management and future maintenance. The management of the Chattram may be vested permanently in a committee composed of the President of the Mysore City Municipal Council(Ex-Officio Chairman of this Committee) three Municipal Councillors and a male member of my family. If this suggestion meets with your kind approval I request the favour of early orders being passed in the matter of handing over the Dharmasala to the President of the Mysore City Municipality.

It has been suggested to me by the Ayurvedic and Unani College Committee that without prejudice

prejudice to the use of the major part of the building for the Dharmasala, a small portion of this building may be permitted to be utilised free of rent for locating an Ayurvedic dispensary for the ~~use~~ convenience of the large number of persons seeking medical relief in this part of the City, as the Ayurvedic College is to be shifted to the new building in Sayaji Rao Road which would be far away for the residents of this locality. I request that you may be pleased to consider this matter also while passing orders regarding the management and utilisation of the Dharmasala.

I shall be ever grateful to you for the kind encouragement you have extended to me in my advancing age to render some humble service to this City.

I have the honour to be,

Sir,

Your most obedient servant,
